

2019 SPONSORSHIP PACKET

A Note From Our Sponsorship Manager

Dear Roller Derby Fan and Potential Sponsor,

Thank you for your interest in becoming a Bradentucky Bomber Roller Derby League, LLC sponsor for the 2019 season. As we gear up for our twelfth hard-hitting season, the Bradentucky Bombers are looking for sponsors to help support the growth of this stimulating fast-paced sport in Bradenton, FL. Women's flat track roller derby is the fastest growing sport in the nation and the Bradentucky Bombers have been very successful in giving community women this exciting sport to call their own.

Our league is comprised of women (and a few men) from all walks of life, from stay-at-home moms to professional business women, ages 18 to over 45. Our goal is to showcase a strong, positive, athletic female image through individual athletic ability, teamwork, self-discipline and character. Unlike the theatrical, choreographed roller derby of the 1970s, roller derby is now a true sport with rules and regulations. It involves athleticism and dedication. In our league, that dedication includes both the sport and the betterment of our community. To maintain membership in our league, all members are required to volunteer a minimum number of hours each season.

Our league slogan is "Strong Women Rolling for a Strong Community" and we believe deeply in it. We strive to be a positive influence in the community and are actively involved in many charitable activities each year.

Unlike some teams, Bradentucky Bomber Roller Derby League does not pay our skaters. Your money benefits the team by allowing us to hold bouts, travel to play other leagues across the state, attend national conferences and tournaments, cover typical business operating expenses, advertise, purchase new training supplies, cover insurance fees, and attend workshops and training events.

Enclosed is information about our sponsorship and advertising packages. Please contact us at sponsorship@bradentuckybombers.com to make your contribution to our league.

Thank you again for your interest,

Bradentucky Bombers Sponsorships

Bradentucky Bomber Roller Derby League, LLC
"Strong Women Rolling for a Strong Community"

Why Sponsor the Bradentucky Bombers?

We Support the Community

The Bradentucky Bombers Flat Track Roller Derby League promotes a strong, positive, athletic female image and we believe deeply in our slogan "Strong Women Rolling for a Strong Community". Comprised of women from all walks of life, we strive to be a positive influence in the community and are actively involved in many charitable activities each year.

How Your Sponsorship Helps Us

Like other amateur sports, the Bradentucky Bombers Roller Derby League does not pay its skaters. The league is funded through monthly skater dues and revenue generated from ticket sales, merchandise sales and fundraising events. In order to provide affordable ticket prices for these intense, action-packed bouts, we rely heavily on sponsorships and advertising from companies like yours. Your money benefits the team by allowing us to pay rent at the rink year round, cover typical business operating expenses, advertise, purchase training supplies, pay insurance fees, attend training and workshops, travel to play against other leagues from around the state and beyond, and eventually participate in national conferences and tournaments.

How Your Sponsorship Helps You

Roller derby is one of the fastest-growing extreme sports in the United States and it appeals to a very wide demographic. Currently, our league members include teachers, sales managers, musicians, finance professionals, computer programmers, artists, paralegals and much more. Our bouts attract mature fans that are nostalgic for old school derby, younger alternative culture fans, and even families. Your Bradentucky Bombers sponsorship will reach potential customers at a very reasonable cost. For more information, contact us today!

Sponsorship Programs

Currently we have three (3) sponsorship programs available:

- **Season Sponsorship Program**
- **Game Day Sponsorship Program**
